# PASSWORD CHANGE | Password.lisd.net

SUMMARY: For those who do not have district-issued devices or unable to use the other password change methods, please complete these steps.

NAVIGATION

Password.lisd.net can be accessed on or off of the LISD network.

STEP ONE
Visit https://password.lisd.net in the browser of choice.

STEP TWO
Enter the current LISD credentials.

STEP THREE
Click on the Sign in button.

CHANGE PASSWORD

A new password can be created after logging into password.lisd.net.

STEP FOUR
Type the current password in the Current Password field.

STEP FIVE
Type the new password in the New Password and Confirm New Password fields.

STEP SIX
Click on the Save Changes button.

New Password Requirements

At least 12 characters long for staff

At least 8 characters long for students

Must contain 3 of the 4 rules:

An uppercase letter

A lowercase letter

A special character

A digit

Can not contain your first name, last name, employee ID, or student ID

Your previous ten passwords can not be used again

Change Your LISD Password

Current Password

New Password

Confirm New Password

Save Changes

If the password is being changed on a LISD device, it is recommended to restart the device after completing the process.

The new password will still need to be updated for all other websites and/or application accounts.
