

You

We

...your school and community by taking responsibility for your role in everyone's safety, and choosing love over hate.

Protect

...your anonymity because you should never fear retaliation for looking out for your school and community.

...your friends and classmates from being abused, hurting themselves, or harming others.

Prevent

...the need to call a hotline. We offer the ability to report information in the form of text, photo, video, audio, or screenshot either online or through the P3 Campus mobile app.

...by being aware and reporting, out of love, the existence of or potential for harmful behavior.

Participate

...by actively monitoring incoming tips, offering 24/7 two-way dialogue, and guaranteeing responsiveness.
