

Datasheet

Charging station for up to 4 slide-in batteries

Charging station for up to 4 slide-in batteries	
Product use	For simultaneous charging of up to 4 lithium-ion batteries 37V / 92 WH (36.180.00) suitable for the broncolor Satos power pack
Connected loads	100-240 V / 50-60 Hz / 10 A
Power consumption	Max. 600 W
Charging duration	Approx. 80 minutes (for one or all batteries)
Length x Width x Height	303 x 212 x 148 mm 11.93 x 8.35 x 5.83 in
Weight (excl. mains cable)	3,45 kg 7.61 lbs
Cooling	Fan
Temperature range of use	0 °C to 35 °C
Storage temperature	-10 °C to 50 °C
Warranty	2-year factory warranty (for first owner)
Approvals	Safety (IEC 62368-1:2018) / EMC (EN 55032 / EN 55035)
Item number	36.198.XX
