Assigning "Classic View" Access

This document walks you through each Classic View role in 3PL Warehouse Manager, as a selection is required at the time of creating a user and is critical to providing them with the appropriate level of access.

The following Classic View roles have unlimited access to reporting in 3PL Warehouse Manager:

- Level0
- Level1

The following Classic View roles have access to every report in 3PL Warehouse Manager, other than the ability to customize their own reports:

- Level2
- Level3
- Level4
- Level5
- Level8
- Rcvonly

The following Classic View roles have zero access to reporting in 3PL Warehouse Manager:

- Level9
- Cust4
- Cust7
- Mobileonly

The remaining Classic View warehouse and customer roles and the reports which they have access to are outlined in the tables below.

The **X** denotes full access, while the **O** denotes no access.
