

TRY... BEFORE YOU BUY

The Solaire Demo Rental Program provides full-featured Solaire Infrared Grills for you to use for two weekends to help you answer the three concerns most grill buyers have:

1 Will it be worth the significant financial investment I will be making?

2 Is it designed and constructed to last?

3 Will it perform to my expectations? That is, will it grill any better than my old grill?

Visit www.scanlife.com to download the free application for smartphones to access the QR code located to the right.
