MY COMPANY

Now that you have successfully logged into the TruckIT portal, you will go to the **My Company** page to set-up your company. There are three tabs on this page for you to add trucks to your fleet, add drivers/dispatchers to your team, and complete your company profile with settings for job filters and preferred notifications.

My Company Checklist:

My Fleet — My Fleet allows you to add and delete trucks to your fleet

My Team — My Team allows you to add and delete users (drivers and dispatchers)

Settings — In Settings, you provide your COI and payment information and set your job filters and preferred notifications.

Complete your company profile with settings:

- General Data
- COI Info
- Payment Contact
- Set-Up settings for job filters
- Preferred notifications
