FOR EXISTING USERS
Visit www.citiprogram.org and log in
Select Add a Course or Update Learner Groups
Skip to Step 4

2 Type University of Michigan under Select your Organization and press Enter

3 Enter the required personal information and continue to the next steps to:
  • Create a username and password
  • Enter your country of residence
  • Fill out CME/CEU information
  • Enter information requested by U-M
The final step in the registration process is the **Select Curriculum** section

Under Question 1 - Basic Courses, select **Good Clinical Practice**

Do not select any other courses

Scroll to the bottom of the page and continue to finalize your registration.

You will now see the **Good Clinical Practice** course in your course list.

Click on the course to begin.

You will then be asked to complete the **Integrity Assurance Statement**, which will unlock the first module.

**PLEASE NOTE**

There are **12 modules to complete**. You will see your progress on your course list.

You must earn an **80% or better** on each module to pass the course.

CITI requires users to complete all 12 modules in the order presented.

Users must complete all 12 modules to complete the course.
