The Creative Life

TCL

32" LED TV

TCL • Roku TV

TCL, one of the world's best-selling TV brands, and Roku, America's most popular streaming service have teamed up to offer the latest in technology and design with the award-winning TCL Roku TV. The first Smart TV to put all your entertainment favorites in one place, it allows seamless access to broadcast TV, over 2,000 streaming channels, your gaming console, and other devices all from your personalized home screen.

TCL Roku TV delivers stunning High Definition resolution and a user-friendly experience. The super simple remote and dual band wireless make it easy and fast to access your favorite content. Connect all of your favorite devices with the 3 HDMI inputs or cast content from your smart phone or tablet with the free mobile app. With over 250,000 streaming movies and TV episodes, plus the best selection of music, sports, news, and more, TCL Roku TV has something for everyone.

TCL • Roku TV

HD 720p

TCL Roku TV
TCL Roku TV is the first Smart TV to put all your entertainment favorites in one place, allowing seamless access to broadcast TV, over 2,000 streaming channels, your gaming console, and other devices all from your personalized home screen.

HD
High Definition (720p) display provides twice the resolution of standard definition, delivering enhanced clarity and detail for all of your favorite content.

Netflix Recommended TV
As a Netflix Recommended TV, you are getting the best experience for Netflix. Netflix Recommended TV is an evaluation program that recognizes TVs that offer better performance, easier app access, and new features that make for a better smart TV.

HDMI
HIGH DEFINITION MULTIMEDIA INTERFACE

DOLBY DIGITAL

HDMI x 3
HDMI Inputs enable high definition playback to your TV from your favorite devices, using just one cable for digital audio and video from each device, making setup simple.

USB
Enjoy your favorite content by connecting a USB stick to the USB port to play your own movies, photos, and music.

Dolby Digital
Dolby Digital processing allows immersive sound in a compact design.
