

The Creative Life

55FS4610R **55"** LED TV

## TCL • Roku TV

*Enjoy The Creative Life with this 55" 1080p TCL Roku TV that offers your easiest way to endless entertainment. The first Smart TV to put all your entertainment favorites in one place, TCL Roku TV lets you access broadcast TV, over 1,500 streaming channels, your gaming console, and other devices all from your personalized Home screen. No need to flip through the 3 HDMI inputs or wade through complicated menus to get to what you want.*

*Color Your World with stunning Full High Definition 1080p resolution and an advanced 120Hz refresh rate that displays fast-moving action scenes with sharpness, clarity and detail. Your favorite content will be at your fingertips from the instant you turn it on, whether it's with the super simple remote, mobile app, or casting from your smartphone or tablet. With over 200,000 streaming movies and TV episodes, plus the best selection of on demand music, sports, news, and more, TCL Roku TV has something for everyone.*

### Roku TV

#### ROKU TV

TCL Roku TV features over 1,500 streaming channels, fully integrated experience with Roku remote, and easy-to-navigate user interface.

#### FULL HD

With two times the resolution of HD (720p). Full HD delivers crystal-clear picture, fine details, and vibrant colors

#### 120HZ

An advanced 120Hz refresh rate eliminates blur so you can see fast-moving images and capture every second of the scene in smooth clarity and detail.

#### HDMI x 3

Digital audio/video inputs enable quality playback and avoid signal loss transmission between source and TV set.

#### USB

USB port enables you to plug in a USB stick and choose from JPEG photo playback or play stored mp3 music.

#### ENERGY STAR

Energy Star 6.1 label certifies ecologically oriented products that meet government standards for low power consumption both in use and in stand-by mode.

*TCL, The Creative Life, has for years been one of the largest TV manufacturers in the world, selling premium consumer electronics in countries across Asia, Europe, Australia, and South America. TCL recently began introducing its TVs and their sleek designs, advanced features, ultra-thin bezels, and vibrant LED displays to the US market. With their manufacturing expertise and over 30 years of experience, TCL is quickly becoming one of the fastest growing HDTV brands in the US.*
