Stunning Picture. Endless Entertainment.

The 4K TCL Roku TV delivers stunning Ultra HD resolution with four times the resolution of Full HD for enhanced clarity and detail, the most streaming channels of any 4K TV, and a premium ultra-slim design. In addition, all of your favorite HD shows, movies, and sporting events are upscaled to near Ultra HD resolution with the 4K Creative Pro upscaling engine.. The personalized home screen allows seamless access to over 300,000 streaming movies and TV episodes, your cable box, blu-ray player, gaming console, and other devices without flipping through inputs or complicated menus.

The 4K Spotlight channel makes it easy to find available 4K content across popular streaming channels. The super simple remote has been enhanced for this premium

model and includes headphones for private listening, voice search to easily find your favorite shows, and a remote finder button on the TV so you will never lose your remote. With an ultra-fast dual-band 802.11ac WiFi connection and Ethernet port, you'll enjoy a seamless streaming experience. Connect all of your devices with the 4 HDMI inputs or cast content from your smartphone or tablet with the free mobile app. With Ultra HD resolution and over 3,000 streaming channels featuring the best selection of music, sports, news, and more, the 4K TCL Roku TV is your easiest way to endless entertainment.
