The minimum purchase amount must not exceed \$10.00 (ten dollars) and does not apply to transactions made with a Debit Card. Maximum transactions amounts may be established by Federal agencies and institutions of higher learning; (c) Merchant shall not require any Cardholder to pay any part of any fee imposed upon Merchant by this Agreement, whether through any increase in price or otherwise require a customer presenting a Card to pay any charge as a condition of sale that is not also required from a customer paying cash. However, Merchant may offer discounts to customers for cash purchases. Merchant may also charge a service fee on Transactions if Merchant charges a service fee: (i) for all payment methods (check, credit card, etc.) or (ii) for a specific payment mode (telephone) and not for other payment modes (face-to-face); (d) Merchant shall not accept a Card as payment (other than to the extent permitted by this Agreement), if the person seeking to use the Card does not present the Card to permit Merchant to examine it and obtain an Imprint or otherwise use the physical Card to complete the Transaction. Merchant shall not deposit any Transaction for the purpose of obtaining or providing a cash advance either on Merchant’s Card or the Card of any other party. Merchant agrees that any such deposit shall be grounds for immediate termination. Merchant shall not obtain under any circumstance Authorization for, nor process a sale on, any Card that Merchant is authorized to use. Processing Merchant’s own Card is grounds for immediate termination.

2.02 Card Acceptance. When accepting a Card for a face-to-face Transaction, Merchant will follow the steps provided by Bank and Paya, and will: (a) Examine the Card for the Cardholder’s signature and if the Card is not signed, request identification to confirm that the Cardholder is the person he/she purports to be and determine in good faith and to the best of its ability that the Card is valid on its face; (b) Check the effective date (if any) and the expiration date of the Card, examine any card security features (such as a hologram) included on the Card; and (c) Obtain Authorization before completing any Transaction (where Authorization is obtained, Merchant will be deemed to warrant the true identity of the customer as the Cardholder); (d) Unless the Sales Draft is electronically generated or is the result of an Internet, mail, telephone or preauthorized order, obtain an Imprint of the Card; (e) Enter a description of the goods or services sold and the price thereof (including any applicable taxes); (f) As required by the Rules, obtain the Cardholder’s signature on the Sales Draft and compare that signature to the signature on the Card; (g) Deliver a true and completed copy of the Sales Draft to the Cardholder at the time of delivery of the goods or performance of the services, or if the Sales Draft is prepared by a point-of-sale terminal, at the time of the sale; (h) Provide the Sales Draft to the Cardholder following the purchase; and (i) Legibly reproduce the Cardholder’s name, account number, expiration date, and the Merchant’s name and place of business if that information is not legibly imprinted on the Sales Draft. In addition, for Mastercard Transactions, Merchant will legibly reproduce the name of the Card Issuer as it appears on the face of the Card. Each Sales Draft presented to Bank for collection shall be genuine and will not be the result of any fraudulent Transaction or telemarketing sale and shall not be deposited on behalf of any business other than Merchant.

2.03 Authorization. (a) Merchant will obtain a prior Authorization for all Card sales. If Merchant cannot, for any reason, obtain an electronic Authorization, Merchant will request a Voice Authorization from the designated authorization center, and will legibly print the authorization number on the Sales Draft; (b) Merchant will not obtain or attempt to obtain Authorization unless Merchant intends to submit a Transaction for the authorized amount; (c) Merchant will not divide a single Transaction between two or more Sales Drafts or two or more Cards; (d) Merchant will not attempt to obtain Authorization on an expired Card; (e) Merchant acknowledges that an Authorization provides only that the Cardholder account has sufficient credit available to cover the amount of the current sale, that an Authorization is not a guarantee of payment, and that an Authorization will not waive any provision of this Agreement or otherwise validate a fraudulent Transaction or a Transaction involving the use of an expired Card. Receiving an Authorization shall not relieve the Merchant of liability for Chargeback on any Transaction; (f) Transactions will be deemed invalid on Cards that are expired, whether or not an Authorization has been obtained; (g) If Authorization is granted, Merchant shall print the Authorization number, or ensure that it appears legibly in the appropriate location on the Sales Draft; and (h) If Authorization is denied, Merchant shall not complete the Transaction and shall follow any instructions from the authorization center; (i) Merchant shall not obtain or attempt to obtain Authorization for a Transaction that it knows or should have known to be either fraudulent or not authorized by the Cardholder.

2.04 Retention and Retrieval of Cards. (a) Merchant shall use its best efforts, by reasonable and peaceful means, to retain or recover a Card upon receiving such instructions when making a request for Authorization or if Merchant has reasonable grounds to believe that the Card is counterfeit, fraudulent or stolen; (b) The obligation of Merchant imposed by this Section to retain or recover a Card does not authorize a breach of the peace or any injury to persons or property and Merchant will hold Bank and Paya harmless from any claim arising from any injury to person or property, or other breach of the peace in connection with the retention or recovery of a Card.

2.05 Compliance with Law; Payment Card Industry Data Security Standards; Non-Disclosure and Storage of Cardholder and Transaction Information Requirements. Merchant will review and monitor the PCI DSS and other related Rules in order to determine the timeframes and mandates for compliance under PCI DSS. The foregoing is an ongoing obligation during the term of this Agreement and as this Agreement may be renewed. If any of the changes listed above occur, Bank and Paya shall have the option to amend the terms of this Agreement or immediately terminate this Agreement; (c) Merchant will immediately notify Paya, with a copy to Bank, of any bankruptcy, receivership, insolvency or similar action initiated by or against Merchant or any of its principals. Merchant is liable to Paya and Bank for all losses and expenses incurred by Paya and Bank arising out of Merchant's failure to report changes. Paya and Bank may immediately terminate this Agreement upon a change to the information in the Application, whether Paya and Bank independently discover such change or whether Merchant notifies Paya and Bank of such change.

Use of promotional materials and use of any trade name, trademark, service mark or logotype ("Marks") associated with Card(s) shall be limited to informing the public that Card(s) will be accepted at Merchant's place(s) of business. ARTICLE III - PRESENTMENT, PAYMENT, CHARGEBACK; RESERVE ACCOUNTS; TYPES OF TRANSACTIONS

3.01 Acceptance. Bank and Paya shall accept from Merchant all valid Sales Drafts deposited by Merchant and shall present the same to the appropriate Card Issuers for collection against Cardholder accounts. All presentment and assignment of Sales Drafts, collection therefore and re-assignment or rejection of such Sales Drafts are subject to the terms of this Agreement and the Rules. Bank shall only provisionally credit the value of collected Sales Drafts to the Account and reserves the right to adjust amounts collected to reflect the value of Chargebacks, fees, penalties, late submission charges and items for which Bank did not receive final payment. Settlement of funds will be in United States Dollars. Bank and Paya may refuse to accept any Sales Draft or revoke its prior acceptance of a Sales Draft in the following circumstances: (a) the Transaction giving rise to the Sales Draft was not made in compliance with all terms and conditions of this Agreement; (b) the Cardholder disputes his liability to Bank for any reason, including but not limited to those Chargeback rights enumerated in the Rules; or (c) the Transaction giving rise to the Sales Draft was not directly between Merchant and the Cardholder. Bank will offset from payments due to Merchant, any amount previously credited to Merchant for a Sales Draft not accepted or later revoked by Bank and Paya. Merchant shall regularly and promptly review all statements of account, banking statements, and other communications sent to Merchant and shall immediately notify Paya if any discrepancy exists between Merchant's records and those provided by Paya, the Merchant's bank, or with respect to any transfer that Merchant believes was not authorized by Merchant or Cardholder. If Merchant fails to notify Paya in writing within fourteen (14) calendar days after the date that

Paya mails or otherwise provides a statement of account or other report of activity to Merchant, Merchant will be solely responsible for all losses or other costs associated with any erroneous or unauthorized transfer. The foregoing does not limit in any way Merchant's liability for any breach of this Agreement.

3.02 Endorsement. The presentment of Sales Drafts for collection and payment is Merchant's agreement to sell and assign its right, title and interest in each Sales Draft completed in conformity with Bank's and Paya's acceptance procedures and shall constitute an endorsement by Merchant to Bank of such Sales Drafts. Merchant hereby authorizes Bank to supply such endorsement on Merchant's behalf. Merchant agrees that this Agreement is a contract of financial accommodation within the meaning of the Bankruptcy Code, 11 U.S.C. Sec. 365, as amended from time to time. Merchant acknowledges that its obligation to Bank and Paya for all amounts owed under this Agreement arise out of the same transaction as Bank's obligation to deposit funds to the Account.

3.03 Transmission Method. If Merchant utilizes electronic authorization and/or data capture services, Merchant will enter the data related to a sales or credit Transaction into a computer terminal or magnetic stripe reading terminal no later than the close of business on the date the Transaction is completed. If Merchant provides its own electronic terminal or similar device, such terminals must meet Paya's and Bank's requirements for processing Transactions. Information regarding a sales or credit Transaction transmitted with a computer or magnetic stripe reading terminal will be transmitted by Merchant to Paya or its agent(s) in the form Paya from time to time specifies, or as required under the Rules. If Bank and Paya request a copy of a Sales Draft, credit voucher or other Transaction evidence, Merchant will provide it within 3 business days following the request. The means of transmission indicated in the Application shall be the exclusive means utilized by Merchant until Merchant has provided Paya with at least 30 days prior written notice, with a copy to Bank, of Merchant's intention to change the means of such delivery or otherwise to alter in any material respect Merchant's medium of transmission of data to Paya.

3.04 Chargebacks. (a) Simultaneously with each Cardholder Transaction, a contingent and unmatured claim for Chargeback accrues against Merchant in favor of Paya and Bank if under the Rules, Paya or Bank is required, or has the right, to pay to any Payment Brand any fees, discounts, customer credits and adjustments, charges, fines, assessments, penalties or other items which may be charged back to Merchant by Paya and Bank. Merchant agrees that it is fully liable to Bank and Paya for all Chargebacks, and that Bank and Paya are authorized to offset from incoming Transactions and to debit via ACH the Account, the Reserve Account, or any other account held at any other financial institution in the amount of any Chargeback. Merchant agrees to accept for Chargeback any sale for which the Cardholder disputes the validity of the sale according to the Rules; or Paya and Bank determine that Merchant has in any way failed to comply with the Rules, this Agreement or Paya's procedures, including but not limited to the following: (i) The Sales Draft is illegible, not signed by the Cardholder or has not been presented to Bank within the required time-frames; (ii) The Sales Draft does not contain the Imprint of a valid, un-expired Card; (iii) A valid Authorization number has not been correctly and legibly recorded on the Sales Draft; (iv) The Sales Draft is a duplicate of a prior Transaction or is the result of two or more Transactions generated on one Card for a single sale; (v) The Cardholder alleges that he or she did not participate in the sale, authorize the use of the Card, receive goods or services purchased, or receive a required credit adjustment, or disputes the quality of the goods or services purchased; (vi) The price of goods or services on the Sales Draft differs from the amount which Merchant presents for payment; (vii) The Transaction results from an Internet, mail, phone or preauthorized order and the Cardholder disputes entering into or authorizing the Transaction or the Transaction has been made on an expired or non-existing account number; (viii) Paya and Bank believe, within their sole discretion, that Merchant has violated any provision of this Agreement; (ix) Paya determines that the Transaction record is fraudulent or that the Transaction is not bona fide or is subject to any claim of illegality, cancellation, rescission, avoidance or offset for any reason whatsoever, including without limitation negligence, fraud or dishonesty on the part of Merchant or Merchant's agents or employees; (x) Merchant fails to provide a Sales Draft or legible copy thereof to Bank and Paya in accordance with this Agreement. (b) Merchant acknowledges that Paya and Bank shall have full recourse to charge back the amount of a Card sale for which the Cardholder disputes that he/she did not authorize the charge if (i) the Imprint of the Card or (ii) the signature of the Cardholder was not obtained by Merchant; and (iii) Merchant shall not initiate a Transaction in an attempt to collect a Chargeback. Merchant shall be liable for all fees arising out of the Chargeback dispute processes under the Rules.

3.05 Processing Limits. Merchant's "Approved Monthly Volume" for sales drafts is that monthly volume set forth in the Application or as otherwise set forth in the Merchant account approval letter from Paya to Merchant or as may be later changed by Paya from time to time upon notice to Merchant. If Merchant exceeds the Approved Monthly Volume, either in the aggregate or with respect to any "method of sale": (i) Paya and Bank may suspend processing, hold the funds over the Approved Monthly Volume, and/or return all Sales Drafts evidencing funds over the Approved Monthly Volume to Merchant; and (ii) Merchant is subject to a 5% fee on all monies processed over the Approved Monthly Volume.

3.06 Additional Requirements for Acceptance of Debit Cards. Merchant may honor at the locations set forth on the Application debit cards ("Debit Card") serviced by the electronic funds transfer networks in connection with the sales ("Debit Card Sale") of merchandise or services to the holders of such Debit Cards ("Debit Cardholders"). Bank and/or Paya agree to accept from Merchant via electronic transmission documents evidencing such Debit Card Sales ("Sales Transmittal") and Adjustment Drafts (as defined below).

(a) **Compliance; Authorization; Other Requirements.** Merchant agrees to comply (and assume all liability for failure to comply) with the Rules of the Debit Card networks ("Networks") as amended from time to time. Any Authorization must be obtained immediately for every Debit Card Sale as directed by Bank and/or Paya ("Authorization"). When Authorization is obtained, Merchant will electronically print the authorization number on the Sales Transmittal. Merchant agrees that: (i) for each Debit Card Sale, the Debit Cardholder must enter his Personal Identification Number ("PIN") through a PIN pad located at the point of sale ("POS"); (ii) each PIN pad will be situated to permit Debit Cardholders to input their PINs without revealing them to other persons, including Merchant's personnel; (iii) Merchant will instruct personnel (a) that they may not ask any Debit Cardholder to disclose the PIN and (b) in the event that any of Merchant's personnel nevertheless becomes aware of any Debit Cardholder's PIN, such personnel will not use such PIN or create or maintain any record of such PIN, and will not disclose such PIN to any other person; (iv) the PIN message must be encrypted from the PIN pad to the POS terminal and from the POS terminal to the Network and back so that the PIN message will not be in the clear at any point in the Transaction; (v) Merchant will comply with any other requirements relating to PIN security as required by Bank or by any Network; (vi) for each Debit Card Sale a Transaction receipt in conformity with Regulation E of the Board of Governors of the Federal Reserve System will be made available to the Debit Cardholder; (vii) Merchant may not collect tax as a separate cash transaction; and (viii) POS terminals, including hardware and software, must be certified for use by Bank and by all of the Networks. POS terminals must include encrypted PIN pads which allow entry of up to sixteen-character PINs, printers and a keyboard lock function. Merchants are responsible for compliance with all Rules regarding the use of POS terminals, regardless of whether such POS terminals are obtained through Bank or through Paya. Merchant will promptly initiate a refund to the customer (which may be made in cash, by an Adjustment Draft or with a check or cashier's check, as permitted by the Rules) whenever Merchant determines that a Debit Card Sale should be canceled or reversed. Merchant will cooperate with Bank and Paya, to resolve any alleged errors relating to Debit Card Sales. Merchant will maintain adequate records to assist in error resolution; records will be maintained for two years, or the period required by the Rules, whichever is greater. Merchant will permit and will pay all expenses of periodic examination and audit of functions at such frequency, as Paya deems appropriate. Audits will meet Paya's standards, and the results will be made available to Paya. Merchant will not accept cash, checks or other negotiable items from any Debit Cardholder and forward a credit through any network (i.e., as a purported payment or deposit to an account maintained by the Debit Cardholder). Merchant will not forward through any network any Transaction or initiate any reversal of a Transaction that did not originate between Merchant and the Debit Cardholder.

(b) **Prevention of Fraud.** Merchant will fully cooperate with Paya and Bank in the event that Bank or Paya determines that there is a substantial risk of fraud arising from Merchant's access to the network. Merchant will take whatever actions Bank or Paya reasonably deem necessary in order to protect Paya and/or the Bank. Neither Paya, Bank nor any of their respective personnel will have any liability to Merchant for any action taken in good faith.

(c) **Display of Network Trademark(s); Protection of Trade Secrets.** In order to inform Debit Cardholders that Debit Card Sales may be transacted at Merchant's locations, Merchant will prominently display the trademark and/or service mark of each network at each location and will display signage of each network at the entrance, near all POS terminals and on the window of such location. All uses by Merchant of any trademark and/or service mark will comply with the applicable Rules. Merchant acknowledges and agrees that in displaying any such trademark and/or service mark, Merchant will be acting under Paya's and/or Bank's control and subject to approval by the applicable network. Merchant will not be deemed, under any circumstances, a licensee or sub-licensee of any trademark or service mark of any network, nor will Merchant otherwise be deemed to have or to acquire any right, title or interest in trademarks or service marks.

(d) **Returns and Adjustments.** Merchant will attempt to settle in good faith any dispute between it and a Debit Cardholder involving a Debit Card Sale. Merchant will establish a fair, consistent policy for the exchange and return of merchandise and for the adjustment of amounts due on Debit Card Sales. Merchant will not make any cash refunds or payments for returns or adjustments on Debit Card Sales but will instead complete a form provided or approved by Bank ("**Adjustment Draft**"). The Sales Transmittal for any Debit Card Sale for which no refund or return will be accepted by Merchant must be clearly and conspicuously marked (including on the Debit Cardholder's copy) as "final sale" or "no return" and must comply with the Rules.

(e) **Presentation of Sales Transmittals and Adjustment Drafts.** Merchant will electronically transmit to Bank all Sales Transmittals or Adjustment Drafts in a manner acceptable to Bank. Merchant will make a good faith effort to electronically transmit data within one banking business day after the Transaction date. Merchant will not extend the time of payment for or extend credit for any part of a Debit Card Sale. Merchant represents and warrants that the electronic transmission of each Sales Transmittal and Adjustment Draft will evidence a true record of the Debit Card Sale Transaction reflected on the document. Bank will process Debit Card Sales transmitted by Merchant, and Bank will promptly credit, debit or charge, as applicable, the appropriate amount to the Account. Within a reasonable time after the end of each calendar month, Bank will calculate the applicable amount of fees and other charges owed by Merchant, and Bank will debit the Account in the amount of such fees and other charges. The amount of such fees to be paid by Merchant are set forth **on Schedule of Fees in the Application**. Such fees may be amended at any time by Bank and/or Paya upon written notice to Merchant. Bank may refuse to accept or may revoke its acceptance of any Sales Transmittal or Adjustment Draft, and Bank may debit, charge or credit the Account in the corresponding amount, if: (i) the Debit Card was completed without prior Authorization; (ii) the Sales Transmittal or Adjustment Draft involved circumstances constituting a breach of any agreement, representation, or warranty by Merchant; (iii) the Debit Card Sale was in violation of applicable law, the Rules or regulations; (iv) the Debit Cardholder is Merchant, any partner or shareholder in Merchant, or any affiliate, spouse or immediate family member of any of them; (v) the Debit Card Sale was not made in connection with the sale of goods or services by Merchant. Bank may refuse or revoke the acceptance of any Sales Transmittal or Adjustment of Sales Transmittal upon the occurrence of any of the following events, and Bank may charge, debit or credit the Account in the corresponding amount if: (a) Merchant defaults in paying when due any obligation to Bank or Paya; (b) any material adverse change in Merchant's financial condition occurs; (c) any deposit account at Bank or any of Merchant's property in the possession of Bank is garnished or attached; (d) Merchant assigns its assets generally for the benefit of creditors; (e) a proceeding is commenced by or against it under any bankruptcy, insolvency or similar law seeking an order to adjudicate it a bankrupt or insolvent or other relief, or seeking appointment of a receiver or similar official for Merchant or for any substantial part of Merchant's assets. Merchant will notify Bank and/or Paya in writing immediately upon becoming aware that any such event has occurred or is likely to occur. Bank will notify Merchant promptly of all Adjustment Drafts. Additionally, Bank will advise Merchant on each debit, charge and credit processed to the Account. Merchant authorizes Bank to charge debits arising from this Agreement against any credit due Merchant, whether or not such charges create overdrafts or a debit balance in the Account. Merchant agrees to pay Bank or Paya, as applicable, the full amount of any such overdraft or debit balance or to replenish the Account in an amount sufficient to permit the amount of the charge to be made, as applicable, promptly upon request. Merchant further authorizes Bank to suspend in a segregated account amounts which otherwise would be credited to the Account if Bank or Paya reasonably believe that the Sales Transmittals submitted by Merchant are fraudulent. Bank or Paya will notify Merchant of the suspension of such amounts within a reasonable time; provided, however, that such notice will not be required if the appropriate law enforcement agency has been notified of the suspected fraud.

ARTICLE IV – GATEWAY PROGRAMMING

4.01 Applicability to this Agreement. In addition to all the other provisions of this Agreement, the provisions of this Article IV shall apply if Merchant utilizes web services from Paya, including the Paya payments gateway, vault services, any application program interface, code samples, web services, integration specifications, and any offline components (collectively "**Web Services**").

4.02 Programming of Web Site. While Paya provides specific API's or programming scripts to Merchant or Merchant's Web site programmer(s), Merchant acknowledges that such sample programming scripts are insufficient in and of themselves to allow Merchant's Web site to function with the Web Services. Programming of Merchant's Web site and its functionality are the sole responsibility of Merchant.

4.03 Merchant's Programming Agent. Merchant has the sole responsibility to select and employ any competent programming agent to accomplish the programming required to make Merchant's Web site function correctly with the Web Services.

4.04 Fees Subject to Fluctuation. Fees for the electronic commerce payment system offered by Paya may be based on the number and/or volume of monthly transactions processed by the Merchant. Thus, notwithstanding anything to the contrary herein, the provisions of this Agreement which require notice prior to a change in fees shall not apply to any transactions or services covered by this Article 4.

4.05 Technical Support. Merchant shall be solely responsible for all technical support for Web site-related issues.

4.06 Shutdowns/Updates. Paya reserves the right, from time to time, without prior notice, to shut down and restart the Web Services for maintenance and/or Web Services upgrades or updates from time to time. Paya will use commercially reasonable efforts to keep service shutdowns as brief as possible. Merchant must monitor updates and upgrades to the Web Services and update Merchant's Web site and programming accordingly.

4.07 Disclaimer. PAYA AND ITS LICENSORS MAKE NO REPRESENTATION, WARRANTY, OR GUARANTY AS TO THE RELIABILITY, TIMELINESS, QUALITY, SUITABILITY, TRUTH, AVAILABILITY, ACCURACY OR COMPLETENESS OF THE WEB SERVICES OR ANY CONTENT STORED THEREIN. PAYA AND ITS LICENSORS DO NOT REPRESENT OR WARRANT THAT (A) THE USE OF THE WEB SERVICES WILL BE SECURE, TIMELY, UNINTERRUPTED OR ERROR-FREE OR OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM OR DATA, OR (B) THE WEB SERVICES WILL MEET MERCHANT'S REQUIREMENTS OR EXPECTATIONS. THE WEB SERVICES ARE PROVIDED ON AN "AS IS" BASIS. ALL CONDITIONS, REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, ARE HEREBY DISCLAIMED TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW BY PAYA AND ITS LICENSORS.

ARTICLE V - TERMINATION AND EFFECT OF TERMINATION

5.01 Term: Termination. (a) Paya Merchant Processing Account shall have an initial term of three (3) years and Paya Mobile Payments Account shall have an initial term of one (1) month (respectively the "**Initial Term**") and shall commence on the earlier of (i) Paya's acceptance hereof (evidenced by the execution of the Agreement by Paya); (ii) the date of written notice from Paya that Merchant's application is approved for processing; or (iii) the date on which Merchant's first Transaction is processed, and (iv) shall automatically renew as follows: (1) Paya Merchant Processing Account shall renew for consecutive (2) year terms; and (2) Paya Mobile Payments Account shall renew on a month-to-month basis (respectively the "**Renewal Term**"), and unless terminated as set forth below; (b) This Agreement may be terminated by any party effective at the end of the Initial or any Renewal Term by providing written notice to the other parties of its intent not to renew no less than thirty (30) days prior to the expiration of the then-current term. Additionally, this Agreement may be terminated: (i) by Paya and Bank at any time with or without cause, and without prior notice, and (ii) by Merchant in the event of a material breach of the terms of this Agreement by Paya and Bank, provided Merchant provides Paya and Bank written notice of the alleged breach and the

breach remains uncured for a period of 30 days following receipt of written notice by the breaching party. (c) Upon early termination of this Agreement by Merchant, or by Paya should Merchant breach any of the terms of this Agreement during the Initial Term or any Renewal Term, Merchant shall pay to Paya an early termination fee equal to (i) Paya Merchant Processing Account—twenty-five dollars (\$25.00) for every month remaining in any such Term or Renewal Term for each Merchant location; (ii) Paya Mobile Payments Account - no early termination fee (respectively the "**Early Termination Fee**"). In addition to the Early Termination Fee, Merchant shall pay any fees, fines, third party costs or penalties which Paya may be assessed due to Merchant's breach of this Agreement and/or early termination. To the extent that applicable state law mandates lesser termination fees, the Early Termination Fee shall be the maximum allowed by applicable law. Merchant will not owe the Early Termination Fee if Merchant elects not to renew the Agreement upon the expiration of the then current term by providing written notice in accordance with this paragraph. All rights and obligations of the parties existing as of the effective time of termination will survive termination; (d) Within Paya's and Bank's sole discretion, if Merchant's or any of its principal(s)' business or personal credit deteriorates, if any significant circumstances exist that would create harm or loss to the goodwill of a card association or payment network system, or if any case or proceeding is commenced by or against Merchant under any federal or state law dealing with insolvency, bankruptcy, receivership or other debt relief, this Agreement shall simultaneously therewith automatically terminate, and any amounts due to Bank and Paya shall accelerate and become immediately due and payable, without the necessity of any notice, declaration or other act whatsoever by Bank and Paya. Merchant agrees to notify Paya and/or Bank immediately of any bankruptcy, receivership, insolvency, or similar action initiated by or against Merchant.

5.02 Effect of Termination. (a) In the event of termination for any reason, Merchant expressly authorizes Bank and Paya to withhold and discontinue the disbursement for all Cards and other payment Transactions of Merchant in the process of being collected and deposited; (b) Collected funds will be placed in the Reserve Account (defined below) until Merchant pays any equipment and processing cancellation fees and any outstanding charges, losses or amounts for which Merchant is liable under this Agreement. Further, Bank reserves the right to require Merchant to deposit additional amounts based upon Merchant's processing history and/or anticipated risk of loss to Bank into the Reserve Account. The Reserve Account shall be maintained a minimum of 270 days after the termination date and for any reasonable period thereafter, during which Cardholder disputes may remain valid under the Rules. The provisions of this Agreement relating to the debiting and crediting of the Account shall be applied to the Reserve Account and shall survive termination of this Agreement until Bank terminates the Reserve Account. Any balance remaining after Chargeback rights have expired and all other expenses, losses and damages have been paid will be disbursed to Merchant; (c) Merchant expressly acknowledges that the MATCH system and Early Termination File (collectively, the "MATCH") is a maintained by Mastercard and Visa and contains the business name and the names and identification of principals of Merchant which have been terminated for one or more of the reasons specified in the Rules. Such reasons include, but are not limited to fraud, counterfeit paper, unauthorized Transactions, excessive Chargebacks or highly suspect activity. Merchant acknowledges that Paya and Bank are required to report the business name of the Merchant and the names and identification of its principals to MATCH when Merchant is terminated for such reasons. Merchant consents to such reporting to the card associations and/or payment networks as applicable by Bank and Paya. Further, Merchant waives and will hold harmless Bank and Paya from any claims that Merchant may raise because of such reporting; (d) Upon termination for any reason, Merchant will immediately cease requesting Authorizations and will cease transmitting Sales Drafts to Bank and Paya. In the event Merchant obtains any Authorization after termination, Merchant expressly acknowledges and agrees that the fact that any Authorization was requested or obtained shall not operate to reinstate this Agreement; (e) Following termination, Merchant shall upon request provide Bank and Paya with all original and microfilm copies of Sales Drafts and Credit Vouchers to be retained as of the date of termination.

ARTICLE VI - ACCOUNTS; SECURITY INTERESTS; INDEMNIFICATION

6.01 Accounting Monitoring. (a) Merchant agrees that Paya and Bank may suspend, within their sole discretion, the disbursement of Merchant's funds for any reasonable period of time required to investigate suspicious or unusual deposit activity. Paya and Bank will make good faith efforts to notify Merchant promptly. Paya and Bank shall have no liability for any losses, either direct or indirect, which Merchant may attribute to any suspension of funds disbursement; (b) In the event of unusual Transactions that have been "suspended" and cannot be verified as valid sales or have been verified as Cardholder disputes, Merchant agrees that a security processing fee not to exceed 110% of the unusual Transaction(s) may be assessed; (c) Merchant's presentation to Paya and Bank of Excessive Activity will be a breach of this Agreement and cause for immediate termination of this Agreement. "**Excessive Activity**" refers to any period of two or more calendar months during which Merchant has a Chargeback ratio that exceeds 1% by number of Transactions or a Chargeback ratio that exceeds 1% by dollar volume. Merchant authorizes, upon the occurrence of Excessive Activity, Bank and Paya to take additional actions as either of them may deem necessary, including, but not limited to, suspension of processing privileges, increase of any fees that may be charged to Merchant and/or creation or maintenance of a Reserve Account in accordance with this Agreement.

6.02 Forms. Merchant shall use only such forms or modes of transmission of Sales Drafts and Credit Vouchers as are provided or approved in advance by Paya and Bank, and Merchant shall not use forms provided by Bank and Paya other than in connection with Transactions without Paya's and Bank's prior written consent.

6.03 Records. In addition to any records routinely furnished to Paya and Bank under this Agreement, Merchant shall preserve a paper or electronic copy of all actual paper Sales Drafts, Credit Vouchers and Debit Card Sales and, if a mail, phone order or preauthorized order is involved, the Cardholder's signed authorization for the Transaction, for at least 3 years after the date Merchant presents the Transaction. If Records and/or data on Paya's system associated with Merchant are subpoenaed by legal process or otherwise, Paya shall produce such records in accordance with the subpoena without notice to Merchant.

6.04 Requests for Copies. Within 3 days of receipt of any written or verbal request by Bank and Paya, Merchant shall provide either the actual paper Sales Draft, Credit Voucher and/or Debit Card Sales or a legible copy thereof (in size comparable to the actual voucher or draft) and any other documentary evidence available to Merchant and reasonably requested by Bank or Paya to meet Bank's obligations under law (including its obligations under the Fair Credit Billing Act) or otherwise to respond to questions concerning Cardholder accounts.

6.05 IRS Withholdings and Reporting. Section 6050W of the Internal Revenue Code ("Code") requires payment providers and third-party payment networks, such as Paya, to report payment settlement amounts to the Internal Revenue Service ("IRS") for each Merchant processing through Paya. Merchant shall verify its identity by providing Paya with a Tax Identification Number ("TIN") such as a Social Security Number (SSN) or Employer Identification Number (EIN) for each Merchant Account. In the event Merchant fails to provide its TIN, Paya will place a restriction on Merchant's Account and may restrict the receipt of funds into Merchant's Account or withhold a percentage of payments deposited into Merchant's Account in order to satisfy the backup withholding requirements of the IRS.

6.06 Security Interests, Reserve Account, Recoupment and Set-Off. (a) This Agreement is a security agreement under the Uniform Commercial Code. Merchant grants to Bank and Paya a security interest in and lien upon: (i) the Account (as set forth in Section 6.10) and all funds at any time in the Account, whatever the source of such funds, (ii) the Reserve Account (as defined below) and all funds at any time in the Reserve Account, whatever the source of such funds, (iii) future Sales Drafts, (iv) all Merchant's rights relating to this Agreement including, without limitation, all rights to receive any payments or credits under this Agreement; and (v) all Merchant deposit accounts now owned or hereafter acquired and the proceeds of all of the foregoing (collectively, the "Secured Assets"). Upon request of Bank and Paya, Merchant will execute one or more financing statements or other documents to evidence this security interest. Merchant irrevocably authorizes bank to execute any financing statements or other documents necessary related to this security interest. Merchant represents and warrants that no other party has a security interest in the Secured Assets. These security interests and liens will secure all of Merchant's obligations under this Agreement and any other agreements between Merchant, Paya and Bank including, but not limited to, Merchant's obligation to pay any amounts due to Bank and Paya. With respect to such security interests and liens, Bank and Paya will have all rights afforded under the Uniform Commercial Code, any other applicable law and in equity. Merchant will obtain from Bank and Paya written consent prior to granting a security interest of any kind in the Secured Assets to a third party; (b) Paya may establish and maintain a non-interest-bearing account ("**Reserve Account**") in the name of

Bank at any federally insured financial institution, with sums provided by Merchant that are sufficient to satisfy Merchant's current or future obligations as determined by Bank and Paya: (i) Bank and Paya shall have the right to initiate a debit to the Account or any other account at any institution to establish or maintain funds in the Reserve Account. Bank or Paya may deposit into the Reserve Account funds they would otherwise be obligated to pay Merchant, for the purpose of establishing or maintaining the Reserve Account in accordance with this Section, if they determine such action is reasonably necessary to protect their interests; (ii) Bank, on its own behalf or at Paya's request, may, without notice to Merchant, apply deposits in the Reserve Account against any outstanding amounts Merchant owes under this Agreement or any other agreement between Merchant and Bank or Paya. Paya or Bank may exercise their rights under this Agreement to collect any amounts due to Bank or Paya including, without limitation, rights of set-off and recoupment. Merchant shall have no right to withdraw funds or debit the Reserve Account. In the event of a bankruptcy proceeding, Bank and Paya may exercise their rights under this Agreement to debit the Reserve Account for amounts due Bank and Paya regardless of the pre-petition or post-petition nature of the amount due Bank and/or Paya. In the event of a bankruptcy proceeding, Merchant also agrees that it will not contest any Motion for Relief from the Automatic Stay, which Bank and Paya may file to debit the Reserve Account. As set forth in Section 5.02, funds in the Reserve Account will remain in the Reserve Account for a minimum of 270 days following termination. Bank will have sole control of the Reserve Account. In the event of a bankruptcy proceeding, Bank and Paya do not consent to the assumption of this Agreement. Nevertheless, if this Agreement is assumed Merchant agrees that, in order to establish adequate assurance of future performance within the meaning of 11 U.S.C. Sec. 365, as amended from time to time, Merchant must establish or maintain a Reserve Account in an amount satisfactory to Bank and Paya; (c) Bank and Paya have the right of recoupment and set-off. This means that they may offset any outstanding/uncollected amounts owed to them from: (i) any amounts they would otherwise be obligated to deposit into the Account, and (ii) any other amounts Paya and Bank may owe Merchant under this Agreement or any other agreement; (d) The rights conferred upon Bank and Paya in this Section are not intended to be exclusive of each other or of any other rights and remedies of Bank and Paya under this Agreement, at law or in equity. Rather, each and every right of Bank and Paya at law or in equity will be cumulative and concurrent and in addition to every other right.

6.07 Third Parties. (a) Merchant may be using special services or software provided by a third party to assist Merchant in processing Transactions, including authorizations and settlements, or accounting functions. Merchant is responsible for ensuring compliance with the requirements of any third party in using their products. This includes making sure Merchant has and complies with any software updates. Paya and Bank have no responsibility for any transaction until that point in time Paya receives data about the transaction; (b) Merchant will notify Paya immediately if Merchant decides to use electronic authorization or data capture terminals or software provided by any entity other than Paya or its authorized designee ("third party terminals") to process Transactions. If Merchant elects to use third party software or terminals, Merchant agrees (i) the third party providing the software or terminals will be Merchant's agent in the delivery of Transactions to Bank via Visa Net or a similar data processing system or network; and (ii) to assume full responsibility and liability for any failure of that third party to comply with the Rules or this Agreement. Neither Bank nor Paya will be responsible for any losses or additional fees incurred by Merchant as a result of any error by a third-party agent or a malfunction in a third party's software or terminal.

6.08 Modifications to Agreement. This Agreement is subject to amendment by Paya to conform to the Rules. Further, Paya and Bank may, from time to time, amend any provision of this Agreement, including, without limitation, those relating to the discount rate or to other fees and charges payable by Merchant by providing written notice, including electronic written notice, to Merchant of the amendment, and the amendment shall become effective unless Bank and Paya receive Merchant's notice of termination of this Agreement within 7 days. Amendments due to changes in a Payment Brand's fees, interchange, assessments, Rules or any law, regulation or judicial decision may become effective on such shorter period of time as Paya and Bank may specify if necessary to comply with the applicable Rule, law, regulation, decision or other change.

6.09 Limitation of Liability; Indemnity. (A) THE LIABILITY, IF ANY, OF BANK AND PAYA UNDER THIS AGREEMENT WHETHER TO MERCHANT OR TO ANY OTHER PARTY, WHATEVER THE BASIS OF THE LIABILITY, SHALL NOT EXCEED IN THE AGGREGATE THE DIFFERENCE BETWEEN (I) THE AMOUNT OF FEES PAID BY MERCHANT TO PAYA AND BANK DURING THE MONTH IN WHICH THE TRANSACTION OUT OF WHICH THE LIABILITY AROSE OCCURRED, AND (II) ASSESSMENTS, CHARGEBACKS, AND ANY OFFSETS AUTHORIZED UNDER THIS AGREEMENT AGAINST SUCH FEES WHICH AROSE DURING SUCH MONTH. IN THE EVENT MORE THAN ONE MONTH IS INVOLVED, THE AGGREGATE AMOUNT OF PAYA AND BANK'S LIABILITY SHALL NOT EXCEED THE LOWEST AMOUNT DETERMINED IN ACCORD WITH THE FOREGOING CALCULATION FOR ANY ONE MONTH INVOLVED. IN NO EVENT WILL BANK, PAYA, NOR ITS OR THEIR OFFICERS, AGENTS, DIRECTORS, OR EMPLOYEES BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES; (B) MERCHANT HEREBY AGREES TO INDEMNIFY AND HOLD BANK, PAYA AND ITS AND/OR THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS (THE "INDEMNIFIED PARTIES") HARMLESS FROM ANY CLAIM RELATING TO: (I) ANY DISPUTE BETWEEN MERCHANT AND A CARDHOLDER WITH RESPECT TO THE ALLEGED OR ACTUAL FAILURE BY MERCHANT TO PROCESS A TRANSACTION AS REQUESTED BY SUCH CARDHOLDER OR TO PROVIDE PHYSICAL SECURITY AT OR NEAR ANY TERMINALS OR OTHER PREMISES OF MERCHANT, OR THE TRANSMISSION OR DISCLOSURE OF ANY INFORMATION BY OR THROUGH PAYA, (II) THE TRANSMISSION OF ANY INCORRECT OR INCOMPLETE INFORMATION TO A CUSTOMER OF ANY NETWORK MEMBER THROUGH THE NETWORK REGARDING AN ACCOUNT MAINTAINED BY SUCH CUSTOMER, OR THE DISCLOSURE THROUGH SUCH NETWORK TO ANY PARTY OF INFORMATION RELATING TO ANY SUCH ACCOUNT; AND (III) MERCHANT'S FAILURE TO COMPLY WITH ANY OF THE PROVISIONS OF THIS AGREEMENT AND APPLICABLE LAWS, RULES AND/OR REGULATIONS, INCLUDING WITHOUT LIMITATION DISPUTES RESULTING FROM MERCHANT'S FAILURE TO PROVIDE A SALES TRANSMITTAL. MERCHANT FURTHER AGREES TO INDEMNIFY AND HOLD THE INDEMNIFIED PARTIES HARMLESS FROM ALL CLAIMS, LIABILITY AND EXPENSES ARISING OR RESULTING FROM ANY DISPUTE OR CLAIM MADE AGAINST BANK AND/OR PAYA BY ANY THIRD PARTY ARISING OUT OF MERCHANT'S BREACH OF THIS AGREEMENT OR THE RULES. FURTHER, MERCHANT SHALL REIMBURSE BANK OR PAYA, AS THE CASE MAY BE, FOR ALL EXPENSES AND COSTS, INCLUDING ATTORNEY'S FEES, WITH REGARD TO THE FOREGOING; (C) NEITHER BANK NOR PAYA MAKE ANY OTHER WARRANTY, EXPRESS OR IMPLIED, REGARDING ANY SERVICES IT PERFORMS IN ACCORDANCE WITH THIS AGREEMENT, AND NOTHING CONTAINED IN THE AGREEMENT WILL CONSTITUTE SUCH A WARRANTY. PAYA AND BANK DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THIS SECTION SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

6.10 Account. (a) Merchant will establish and maintain an account at Bank or at any federally insured financial institution ("Account") reasonably approved by Bank in the United States. Merchant will maintain sufficient funds in the Account to satisfy all obligations, including fees, contemplated by this Agreement. Merchant irrevocably authorizes Paya and/or Bank to debit the Account for Chargebacks, fees and any other penalties or amounts owed under this Agreement. Merchant must obtain prior written consent from Bank and Paya to change the Account. If Merchant does not obtain that consent, Paya or Bank may immediately terminate the Agreement and may take other action necessary, as determined by them within their sole discretion; (b) Bank will deposit all Sales Drafts to the Account subject to Section 3.01 of this Agreement. Merchant authorizes Bank and Paya to initiate reversal or adjustment entries and initiate or suspend such entries as may be necessary to grant Merchant conditional credit for any entry; (c) Bank, in its sole discretion, may grant Merchant provisional credit for Transaction amounts in the process of collection, subject to receipt of final payment by Bank and Paya and subject to all Chargebacks and other amounts owed to Bank and Paya under this Agreement; (d) Merchant shall promptly examine all statements relating to the Account, and immediately notify Paya and Bank in writing of any errors. Merchant's written notice must include: (i) Merchant name and account number, (ii) the dollar amount of the asserted error, (iii) a description of the asserted error, and (iv) an explanation of why Merchant believes an error exists and the cause of it, if known. That written notice must be received by Paya and Bank within 60 days after Merchant received the periodic statement containing the asserted error and failure to provide such notice shall bar any claim of errors. MERCHANT MAY NOT MAKE ANY CLAIM AGAINST BANK OR PAYA

FOR ANY LOSS OR EXPENSE RELATING TO ANY ASSERTED ERROR FOR 60 DAYS IMMEDIATELY FOLLOWING RECEIPT OF MERCHANT'S WRITTEN NOTICE. During that 60-day period, Paya and Bank will be entitled to investigate the asserted error, and Merchant will not incur any cost or expense in connection with the asserted error without notifying Paya; (e) Merchant will indemnify and hold Paya and Bank harmless for any action they take against the Account pursuant to this Section. Merchant will also indemnify and hold harmless the institution at which Merchant maintains the Account for acting in accordance with any instruction from Bank or Paya regarding the Account. This Section will survive termination of this Agreement; (f) Merchant authorizes Bank and Paya to initiate debit/credit entries to the Account, as the Account may be changed from time to time, and to any other account maintained by Merchant at any institution that is a receiving bank of ACH, all in accordance with this Agreement. In the event Merchant changes the Account, Merchant will notify Paya, with a copy to Bank, and this authorization will apply to the new Account. This authorization will be effective until both: (i) Paya and Bank have received written notification from Merchant terminating this authorization, and (ii) all obligations of Merchant to Paya and Bank have been paid in full. Merchant will provide to Paya and Bank a voided Account check and will fill in the Account numbers on the Application.

6.11 Fees and Other Amounts Owed. (a) Merchant shall pay the fees and charges as set forth on the Schedule of Fees included on the Application, the provisions of which are incorporated herein by reference. Unless otherwise noted, Merchant shall pay all fees monthly, with the exception of the Discount Fee and/or interchange, which shall be paid either monthly or daily, as determined by Paya in its sole discretion. Merchant may choose, however, to pay the discount fee on a daily basis by notice to Paya. The Account will be debited through ACH for such amounts and for any other fees, charges or adjustments incurred by Merchant and associated with processing services. Merchant is also obligated to pay all taxes and other charges imposed by any governmental authority on the services provided under this Agreement. Bank and Paya shall have the right to change fees, including adding fees for additional services utilized by Merchant, in accordance with Section 6.08. Interchange Pass Through pricing ("IPT") as specified on Application is comprised of interchange, fees, dues, and assessments assessed by card association. Cost-Plus pricing ("CP") is comprised of IPT plus the Cost-Plus Rate set forth on your Application, which is charged to each settled Card and Debit Card Transaction. Merchant may call Paya customer service with any questions regarding pricing, qualifications exceptions, and billing. Paya does not refund fees for returns; (b) Merchant will immediately pay Paya and Bank any amount incurred by Paya attributable to this Agreement or any other agreement between Merchant and Paya or any subsidiary or affiliate of Paya, including but not limited to equipment fees, Chargebacks, fines imposed by a third party, non-sufficient fund fees, and ACH debits that overdraw the Account, Reserve Account, or are otherwise dishonored. Merchant authorizes Paya and Bank to debit via ACH the Account, Reserve Account, any other account Merchant has with Paya, an affiliate or subsidiary of Paya, Bank or at any other financial institution for any amount Merchant owes under this Agreement or under any other contract, note, guaranty, or dealing of any kind now existing or later entered into between Merchant and Paya or any subsidiary or affiliate, whether Merchant's obligation is direct, indirect, primary, secondary, fixed, contingent, joint or several. In the event such ACH does not fully reimburse Paya and Bank for the amount owed, Merchant will immediately pay Paya and Bank such amount.

6.12 Costs. Merchant will be liable for and will indemnify and reimburse Paya and Bank for all costs paid or incurred by Paya or Bank in the enforcement of this Agreement, including but not limited to attorneys' and investigators' fees, or in collecting any amounts due from Merchant or resulting from any breach by Merchant of this Agreement.

ARTICLE VII- MISCELLANEOUS
