LUXEbuffettes Setup

Facilities Guide

Version: 21.06.24

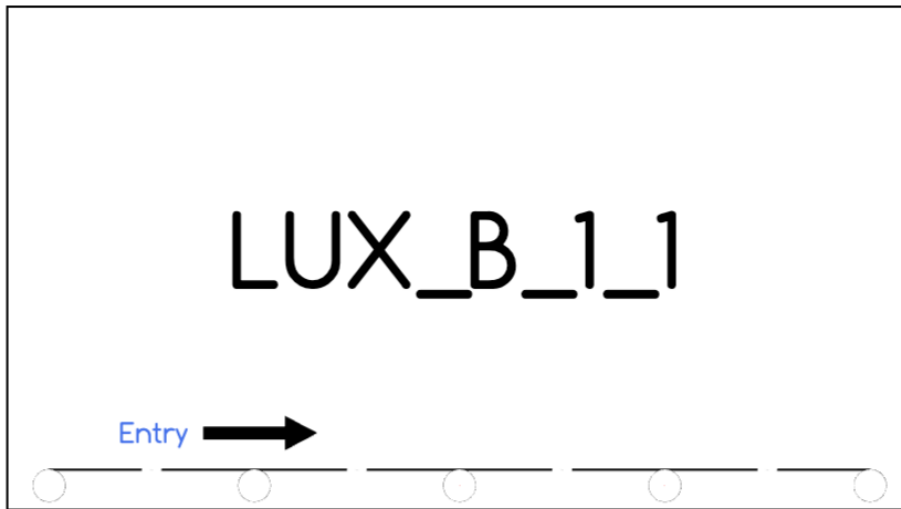

Overview

1. This guide should be used by Facilities when setting LUXEbuffettes.
2. All LUXEbuffette setups will be defined in the floorplan by the Sales Managers.
3. Floorplans will denote a simplified LUXEbuffette layout. Facilities should use this guide to determine the actual items required in the setup.
4. There is only 1 component for each LUXEbuffette.
