Weatherproof Construction

## IMPROVE YOUR VEHICLE'S THROTTLE RESPONSE AND DRIVING CHARACTERISTICS!

Give your vehicle the kick that it needs with the SCT Burst Throttle Booster. The installation is simple and the results will be felt right in your seat. Plug it inline between your vehicle's pedal position sensor and the vehicle harness. Then you can use the control knob to adjust your throttle on the fly. Perfect for that extra burst when you need it.

### **IMPROVED THROTTLE RESPONSE**

Increase vehicle acceleration and reduce lag time

### **ADJUST "ON-THE-FLY"**

Change your performance as you go with the included control knob

### **BUILT TOUGH**

Fully waterproof with OEM quality connectors
