- ***What Are Your Responsibilities?*** You are responsible for performance of all scheduled and manufacturer-recommended maintenance to your vehicle. This includes but is not limited to monitoring and replacement of all fluids, filters and other parts that require periodic replacement. If you contend that any Derive products are responsible for any mechanical or other problems with your vehicle, you must allow Derive the opportunity to inspect the vehicle and verify/diagnose its condition *before* you make any repairs or alterations to the vehicle. Without limiting the other terms and conditions of this warranty, and any other defenses that Derive may have, you understand and agree that your failure to comply with the foregoing requirements will relieve Derive from any responsibility to you with regard to any problems with your vehicle.
- ***How Do You Register Your Product?*** In order to be eligible for service under this warranty you should complete the online registration information within thirty (30) days of purchase. To register your Product, please log on to www.sctflash.com/register (for SCT-branded Products) or www.bullydog.com/registration (for Bully Dog-branded products), click on “Warranty Registration” and follow the simple steps provided on the website. The Customer must (a) obtain a Return Merchandise Authorization (RMA) number from Derive prior to returning any Product, (b) include the RMA number (and proof of purchase, unless the Product was registered with Derive within 30 days of its purchase) and (c) be responsible for and prepay any shipping expense in connection with the return of any Product to Derive. Any Product returns, including returns for reasons other than warranty claims (*e.g.*, the Customer ordered the wrong Product), are subject to Derive’s Pricing, Ordering and Returns Policy which can be found on the Derive website. Non-warranty claim returns will result in a restocking fee equal to 25% of the suggested retail price of the Product.
- ***Can This Warranty Be Transferred?*** This warranty is not transferable and applies only to the consumer who originally purchased the Product.
- ***How Does State Law Apply?*** This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. Pertinent state law shall control for what period of time following the sale a consumer may seek a remedy under the implied warranty of merchantability or fitness for a particular purpose. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
