In the event and to the extent that Customer requires a reference to a purchase order number to be included in an invoice, Customer shall notify Uberall thereof in due time, but no later than 30 days prior to the due date of the respective fees which are to be subject of such invoice. Upon such termination, Customer will cease Using the SaaS Product(s) or Software, and Uberall will refund to Customer, as Customer's sole and exclusive remedy and Uberall's sole liability for such termination, the amount of the unused portion of prepaid fees (if any) for the terminated SaaS Product(s) or Software calculated as of the effective date of termination.
- 9.5. **Exclusive Remedy.** The provisions of this Section 9 (Indemnification) state the sole, exclusive, and entire liability of the parties, their Affiliates, and subcontractors to the other party, and is the other party's sole and exclusive remedy, with respect to covered third-party claims and to the infringement or misappropriation of third-party intellectual property rights.
- 9.6. **Indemnification Procedures.** Each party's obligations as set forth in this Section 9 (Indemnification) are subject to the indemnified party: (a) giving the other party prompt written notice of any such claim or the possibility thereof; (b) giving the other party sole control over the defense and settlement of any such claim (except that neither party will, without the prior written consent of the other party, agree to any settlement of any claim that does not include a complete release of the other party from all liability with respect thereto or that imposes any liability, obligation, or restriction on the other party); and (c) providing full cooperation in good faith in the defense of any such claim.
- 10. LIMITATION OF LIABILITY**
- 10.1. Nothing in this Agreement:
- (a) shall limit or exclude the liability of either party for:
- (i) death or personal injury caused by its negligence, or the negligence of its personnel, agents or subcontractors;
  - (ii) fraud or fraudulent misrepresentation;
  - (iii) breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession) or other liability which cannot be limited or excluded by applicable Law; and
- (b) shall limit or exclude the liability of the Customer for:
- (i) failure to pay the Fees due under the Agreement;
  - (ii) breach of its obligations under Section 5 (Confidentiality);
  - (iii) its indemnity obligations under Section 9.1(a) and (d) (or breach thereof); or
  - (iv) damages under applicable Law for infringement or misappropriation by the Customer of the intellectual property rights of Uberall.
- 10.2. Subject to Section 10.1, neither party shall have any liability to the other party, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any special, incidental, indirect, exemplary, punitive or consequential loss or damage of any kind arising under or in connection with this Agreement, or for any attorney's fees and costs, business interruption or loss of profits, business

- opportunities or goodwill (whether direct or indirect).
- 10.3. Subject to Section 10.1 and Section 10.2 the maximum liability of each party to the other, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with this Agreement shall be limited in the aggregate to the amount of the Fees paid by the Customer for the SaaS Products, Software, Support Services or Professional Services giving rise to such damages in the twelve (12) months immediately preceding the claim.
- 11. TERM AND TERMINATION**
- 11.1. **Subscription Term.** This Agreement will commence on the effective date of the Order and will remain in effect for an initial period of three (3) years (the “**Initial Term**”), unless the parties have agreed upon another Initial Term in the Order. The Agreement will automatically renew for successive one (1) year renewal periods (each a “**Renewal Term**” and, together with the Initial Term, the “**Term**”) unless either party notifies the other party in writing of its intent to not renew at least three (3) months prior to the expiration of the then-current Term.
- 11.2. **Termination.** Uberall may terminate this Agreement, effective immediately, if Customer fails to make any payments due hereunder within fifteen (15) days of the due date. Either party may terminate this Agreement and any or all applicable Orders, in each case, by written notice effective immediately: (a) in the event that the other party is in material breach of this Agreement or the applicable Order, which breach is incapable of cure or though capable of cure, remains uncured for thirty (30) days after receipt of written notice of default; (b) upon the other party’s voluntary filing or having filed against it a petition under applicable bankruptcy or insolvency Laws which such party fails to have released within thirty (30) days after filing, suspension of business, assignment of assets for the benefit of creditors, or voluntary dissolution of the other party’s assets; or (c) as otherwise expressly set forth in this Agreement.
- 11.3. **Suspension.** Uberall has the right to suspend Customer’s Use of the SaaS Product(s), Software, Support Services, Professional Services, or other services or remove any data or content transmitted via the SaaS Product(s) or other services without liability (a) if there is a significant threat to the functionality, security, integrity, or availability of the SaaS Product(s), services or any content, data, or applications in the SaaS Product(s) or services; (b) if Uberall reasonably believes that the SaaS Product(s) or services are being used in violation of the Agreement or applicable Law; (c) if requested by a law enforcement or government agency or otherwise to comply with applicable Law; or (d) as otherwise specified in the Agreement. Information on Uberall’s systems may be unavailable to Customer during a suspension. Uberall will use commercially reasonable efforts to give Customer notice of a suspension unless Uberall determines in its commercially reasonable judgment that a suspension on shorter or contemporaneous notice is necessary to protect Uberall or its Customers. Uberall will use commercially reasonable efforts to lift the suspension promptly after Uberall determines that the issue causing the suspension has been resolved. Any suspension under this Section will not excuse Customer from Customer’s obligation to make payments under the Agreement; provided that if the events giving rise to the suspension are not substantiated, then such payments will be refunded to the Customer pro-rata.
- 11.4. **Effect of Termination.** Upon termination or expiration of the Agreement, Customer will no longer Use the SaaS Product(s) or Software and Customer’s rights to the affected Documentation, Uberall’s Confidential Information and any other Uberall materials (collectively, the “**Uberall Materials**”) will cease. Customer will immediately stop using such Uberall Materials and will return such Uberall Materials to Uberall or destroy all copies thereof (except for any copies that Customer must keep complying with applicable Law).
- 11.5. **Other Remedies.** Termination of the Agreement will not limit either party from pursuing other remedies available to it, including injunctive relief, nor will such termination relieve Customer’s obligation to pay all fees that have accrued or are otherwise owed by Customer under the Agreement.
- 12. CUSTOMER OBLIGATIONS**
- 12.1. **Compliance.** Customer will comply with all applicable Laws, including the Modern Slavery Act 2015, all applicable Laws, statutes, regulations, directives and codes relating to

- anti-bribery and anti-corruption, including but not limited to the Bribery Act 2010, and with all marketing, advertising and consumer protection Laws, in connection with (a) Customer's use of the SaaS Product(s) and Software and (b) Customer Data. Customer guarantees the absence of any third party right that would hinder the use of the Corporate Location Data for the purpose of this Agreement. Customer will not provide to Uberall any dual use items as that term is defined in the Dual Use Regulation EU 2021/821.
- 12.2. **Secure Access.** Customer will keep the login names and the passwords required for the use of the SaaS Product(s) confidential, to keep it in a safe place, and to protect it against unauthorized access by third parties with appropriate precautions, and to instruct its Authorized Users to do the same.
- 12.3. **Customer Data.** Before entering Customer Data, the Customer will identify and remove all Malware. In addition, Customer is responsible for the entry, integrity, and the maintenance of Customer Data entered into the SaaS Product(s). Customer will ensure that all personal information is only entered and stored in the SaaS Product(s) data fields that are designed for such information.
- 13. MISCELLANEOUS**
- 13.1. **Assignment.** Neither party may assign the Agreement or otherwise transfer any right granted hereunder without the prior written consent of the non-assigning party, *provided, however,* that Uberall may assign this Agreement without prior written consent pursuant to a change of control enacted by merger, acquisition, sale of assets, sale of stock, whether by operation of law or otherwise. Any purported assignment of the Agreement (in full or in part) in violation of this Section will be deemed void.
- 13.2. **Subcontractors.** Uberall will have the right to use third parties, including Uberall's Affiliates ("**Subcontractors**") in performance of its obligations and services.
- 13.3. **Survival.** The provisions set forth in Sections 2.4 (Additional Restrictions), 3 (Payment), 5 (Ownership), 6 (Confidentiality), 9 (Indemnification), 10 (Limitation of Liability), 11.4 (Effect of Termination) and 13 (Miscellaneous) of these GTC will survive termination or expiration of the Agreement.
- 13.4. **Notices.** All notices required under the Agreement will be given in writing (email to suffice) and will be deemed effective upon delivery to the party to whom addressed at the address specified on the Order or to such other address as the parties may designate in writing.
- 13.5. **Force Majeure.** Neither party will be liable to the other for any delay or failure to perform its obligations hereunder (other than for the payment of amounts due) if such delay or failure arises from any cause or causes beyond the reasonable control of the affected party, including acts of God, flood, fire, loss of electricity or other utilities, epidemic, pandemic, act of a public enemy or terrorist, act of any military, civil, regulatory or governmental authority, change in law or regulation, labor problem or unavailability of supplies and any other cause, whether similar or dissimilar to any of the foregoing that could not have been prevented by such party with reasonable care.
- 13.6. **Amendments; Conflicts.** Except as provided in Section 2.9 (Modifications), the parties agree that the Agreement cannot be altered, amended or modified, except by a writing signed by an authorized representative of each party. This shall also apply for changes to this Section 13.6. In the event of a conflict between the terms and conditions of this GTC and an Order under this GTC, the terms of the Order will govern but only with respect to the specific conflict.
- 13.7. **Non-Solicitation.** During the term of this Agreement and for a period of one (1) year thereafter, Customer will not hire, solicit, nor attempt to solicit, the services of any employee of Uberall providing services to Customer under this Agreement without the prior written consent of Uberall. The foregoing limitation will not apply to a hiring pursuant to general solicitations for employment.
- 13.8. **Headings.** Headings are for reference purposes only, have no substantive effect, and will not enter into the interpretation hereof.
- 13.9. **No Waiver.** No failure or delay in enforcing any right or exercising any remedy will be deemed a waiver of any right or remedy.
- 13.10. **Severance** . Each provision of the Agreement is a separately enforceable provision. If any provision or part-provision of the Agreement is determined to be or becomes unenforceable or illegal, such provision will be reformed to the minimum extent necessary to make it valid,

- legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Agreement. If any provision or part-provision of this Agreement is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.
- 13.11. **Independent Contractor.** Uberall is an independent contractor and nothing in the Agreement will be deemed to make Uberall an agent, employee, partner, or joint venturer of Customer.
- 13.12. **Third-Party Beneficiaries.** Other than as provided in Section 2.2 (SaaS Product(s) and Software from Apple App Store) and Section 2.3 (SaaS Product(s) and Software from Google Play Store), a person who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Agreement.
- 13.13. **Governing Law; Venue.** The laws of England and Wales will govern the interpretation of the Agreement. The United Nations Convention on Contracts for the International Sale of Goods (1980) is hereby excluded in its entirety from application to the Agreement. The parties agree that the courts of England and Wales will have exclusive jurisdiction for any dispute arising under, out of, or relating to the Agreement. Uberall shall also be entitled to bring an action at the general place of jurisdiction of the Customer.
- 13.14. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement. Transmission of the executed signature page of a counterpart of this agreement by email (in PDF, or other agreed format) shall take effect as delivery of an executed counterpart of this agreement. If either method of delivery is adopted, without prejudice to the validity of the agreement thus made, each party shall provide the others with the original of such counterpart as soon as reasonably possible thereafter. No counterpart shall be effective until each party has executed and delivered at least one counterpart.
- 13.15. **No Partnership or Agency.** Nothing in this agreement is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, constitute any party the agent of another party, or authorize any party to make or enter into any commitments for or on behalf of any other party. Each party confirms it is acting on its own behalf and not for the benefit of any other person.
- 13.16. **Electronic Signatures.** Electronic signatures that comply with applicable Law are deemed original signatures.
- 13.17. **Interpretation.** References to “include” and “including” means including without limiting the generality of any description preceding such term and “or” or “and/or” is not exclusive.
- 13.18. **Entire Agreement.** The Agreement constitutes the entire agreement between the parties regarding the subject matter thereof. Any pre-printed terms in a Customer purchase order or similar document are null and void.
