

Healthdirect Video Single Sign On Enablement to Production Sign Off Form

SSO Confirmation of Testing and Sign Off

Please confirm the following has been completed:

- Healthdirect Video Call [SSO Process Guidelines](#) have been reviewed and followed
- Testing of end-to-end login process and levels for various users has been completed and signed off (System is stable and operates normally)
- Backup processes have been put in place and communicated to users
- Training and communications plan for the switch over has been developed and implemented
- Business owners have signed off and are prepared for the SSO switch over

The Organisation acknowledges and understands the Healthdirect Video Call Single Sign On Guidelines, the Service Request Process and the obligations of the Organisation maintaining the authentication service as outlined in the [SSO Process Guidelines](#), section 3.3.
