## USER EXPERIENCE

### ENHANCED

4932

#### Expanded information displays when selecting codes

Supplier, Product and General Ledger codes have been enhanced to include supporting details when selecting from drop down lists.

**Product:** Type; Product; Subgroup  
**Suppliers:** Phone and email options  
**General Ledger:** Function and GST Rate

5280

#### Lock a User setting more visible

The location of the Lock User within a User setting has moved to the User Details at the top of the settings, making it easier to access and view.

## CUSTOMERS

### RESOLVED

5342

#### Bulk Download Customer Statements

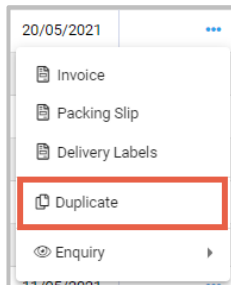

An issue where statements could not be downloaded in bulk has now been resolved.

## CUSTOMERS – INVOICES

### NEW

#### 3724 Customer Invoices can be Duplicated

Previously posted customer invoices can now be duplicated, with all details (excluding the date) copied to the new invoice.

Refer to the knowledge base – Duplicate a Customer Invoice for instructions to use.

#### 1191 Information Icon Added to Product Lines on Invoices

A detailed product summary is now available via an Information Icon beside product codes on invoices. A pop up window opens when the icon is selected and shows quantities and pricing.

<input type="checkbox"/>	Item	Description	Quantity	Rate excl GST (\$)	Discount (%)	GST (\$)	Extend excl GST (\$)
<input type="checkbox"/>	1011	 Fridge Freezer	1.0000	1,499.0000	0.0000	224.85	1,499.00

**Product Summary**
