The Summary of Benefits and Coverage (SBC) document will help you choose a health Plan. The SBC shows you how you and the Plan would share the cost for covered health care services. NOTE: Information about the cost of this Plan (called the Premium) will be provided separately. This is only a summary. Important Questions	Answers		Why This Matters:
What is the overall Deductible?	**MEDICAL** **$3,500 / Ind** **$7,000 / Family**	**PRESCRIPTION** **$1,000 / Ind** **$2,000 / Family**	Generally, you must pay all of the costs from Providers up to the Deductible amount before this Plan begins to pay. If you have other family members on the Plan, each family member must meet their own individual Deductible until the total amount of Deductible expenses paid by all family members meets the overall family deductible. The medical and prescription deductibles accumulate separately.
Are there services covered before you meet your Deductible?	**Yes. Preventive Services are covered before you meet your Deductible**		This Plan covers Preventive Services even if you haven't yet met the Deductible amount. See a list of covered Preventive Services at located at the ACA website by visiting https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other Deductibles for specific services?	**No**		Not Applicable.
What is the Out-of-Pocket Limit for this Plan?	**MEDICAL** **$7,100 / Ind** **$14,500 / Family**	**PRESCRIPTION** **$1,200 / Ind** **$2,100 / Family**	The Out-of-pocket Limit is the most you could pay in a plan year for covered services. If you have family members on this Plan, they have to meet their own Out-of-Pocket Limits until the overall family Out-of-Pocket Limit has been met. The medical and prescription Out-of-Pocket Limits accumulate separately.
What is not included in the Out-of-Pocket Limit?	**Premiums, Balance Billing Charges, Services not Covered by this Plan, Fees Above RBP and/or UCR**		Even though you pay these expenses, they don't count towards the Out-of-Pocket Limit.
Will you pay less if you use a Network Provider?	**Not Applicable**		This Plan does not use a Provider Network. You may receive covered services from any provider.
Are there prescription services?	**Yes**		Prescription services are available through Optum Rx. The pharmacy help desk can be reached by calling 877-633-4461. Start using all features of your prescription card by going to the OptumRx Portal.
Do you need a Referral to see a Specialist?	**No**		You can see the Specialist you choose without a Referral.
