### **GREETINGS FROM THE REGIERUNGSPRÄSIDENT KASSEL:**

Dear athletes,  
dear helpers of RSC Weimar-Ahnatal,  
dear BMX enthusiasts,

as the Regierungspräsident of the Regierungspräsidium Kassel, I am pleased to welcome you all to the 3-Nations BMX-Cup, organized by RSC Weimar-Ahnatal.

With over 800 participants per day from Belgium, the Netherlands and Germany, this event showcases the international significance of BMX sports. The BMX-Arena-Ahnatal and its events are a sporting highlight in our region NordOstHessen. I would like to congratulate the RSC Weimar-Ahnatal on the 10th anniversary of the 3-Nations BMX-Cup.

The establishment of the BMX-Arena with so much volunteer commitment is exemplary of the unity and enthusiasm that is lived in sports.

I would like to express my deepest thanks to all helpers and supporters, represented by Carsten Rövenstrunk, as without their commitment, an event of this magnitude would not be possible.

I wish all participants exciting competitions, fair encounters, and unforgettable moments at the BMX-Arena-Ahnatal. May the 3-Nations-Cup be an event that remains in memory for a long time and strengthens the unity of nations in Europe and in sports.

Best regards,

Mark Weinmeister

Regierungspräsident

### **A LITTLE HISTORY OF AHNATAL:**

The municipality of Ahnatal was created within the framework of municipal reform in Hessen on 1st August 1972 by the merger of the villages of Weimar and Heckershausen.

Since that time Ahnatal experienced a steady upswing. Ahnatal is today an interesting and popular, through a variety of clubs, associations and public institutions distinct residential community in the direct surroundings of the city of Kassel, at the edge of the nature park "Hawk Forest" between Dörnberg and Stahlberg.

Ahnatal far has a millennial history. You can even assume that people here have already lived in the 4th century before Christ's birth. Finds from this period are testimony.

### **GREETINGS FROM THE MAYOR OF AHNATAL:**

Dear cycling friends,  
Ladies and Gentlemen,  
dear guests,

the 10th anniversary of the 3-Nations BMX Cup in Ahnatal – I would like to warmly congratulate you on this anniversary on behalf of the community of Ahnatal.

Our beautiful Ahnatal is located in the middle of the fairytale land of the Brothers Grimm and is surrounded by the Habichtswald Nature Park. However, it's not just the surrounding area that has a lot to offer, our community too! We owe this to our active clubs and associations, who plan and organize numerous offers and events.

I would like to thank those responsible for the cycling club Weimar-Ahnatal e.V. and the many helpers for organizing the 10th 3-Nations BMX Cup and I look forward to an outstanding sporting event.

I wish the athletes fair, injury-free competitions and the visitors exciting entertainment.

I hope that we will be able to welcome athletes, guests from near and far and interested citizens of Ahnatal here at the BMX facility of the Radsport Club Weimar-Ahnatal e.V. for many more years to come.

Here's to the next 10 years of the 3-Nations BMX Cup in Ahnatal!

**Stephan Hänes**  
Mayor of Ahnatal

### **THE IDEA "3-Nations BMX-Cup":**

"We want to create a racing series for young BMX riders where they can gain initial experience in preparation for further international competitions. Particularly for young riders, it was important not to scare parents away with a lot of travel effort.

Driving the racing series should be possible without much effort for the parents and should not frustrate the young beginner riders too much by having to compete with the many best drivers from all over Europe.

It should be an international entry-level racing series!

At the same time it should also be a training race series for juniors, U23 and elite riders.

For this reason, the idea was to run the races at locations where the races could theoretically be held on one day with arrival and departure. This means a maximum radius of 400 km. This was only possible with the countries of Belgium, the Netherlands and the neighboring regions of Germany. That's why Ahnatal was the perfect venue because it meets the requirements of the track, has committed members and is geographically optimal.

I am pleased to hear that the 3-Nations BMX Cup is still being run, i hope that it has done justice to the idea and serves as an international entry-level series for young riders from B, NL and D."

**Francisco-Javier Bähr**

Inventor of the 3-Nations BMX-  
Cup

## **DEAR GUESTS, WELCOME TO AHNATAL, KASSEL AND HESSE!**

We are very proud and excited, to welcome all athletes, teams, officials and spectators to our international "3-Nations BMX-Cup 2024" Race in Ahnatal, in the middle of Germany!

The "3-Nations BMX Cup" is one of the biggest BMX Racing Series in Europe and it will be held for the 10th time in Ahnatal!

The 3-Nations Cup is therefore attractive for junior and elite riders. Some top teams and riders have already confirmed their attendance at the 3-Nations cup events in 2024. We look forward to welcoming them and watching some exciting racing from some of the world's best riders alongside the exciting racing offered by the younger age classes.

We would like to thank you athletes, parents, carers and coaches from the bottom of our hearts for your 10 years of loyalty. Your support and enthusiasm have made the event an unforgettable experience over the years. Without you, the 3-Nations BMX Cup wouldn't be what it is today.

A special thank you also goes to the municipality of Ahnatal for providing the infrastructure and to the German Red Cross / Ahnatal local association for their consistently highly professional efforts! A big thank you also goes to the sponsors of the RSC Weimar-Ahnatal e.V.! Without your support the event would not be possible!

We look forward to experiencing exciting races and great moments with you in the coming years. Thank you for your commitment and passion for BMX sports!

Best regards, the team of the 3-Nations BMX-Cup in Ahnatal

**Carsten Rövenstrunk**

President RSC-Weimar-Ahnatal
