	HIS350		GTH107					ART217	

In this example, RIO University has about **300+** courses in the catalogue. All Courses can be further grouped/segmented by department or faculty.

For example, all the Courses start with ECON prefix are parked under Economics Department

Our Enrollment wizard displays Courses per Term/Semester.

For example, not all Courses are offered in every Term. The registrar of RIO University looked at the demand (students) and supply (faculty members) and decided to offer **100+** Courses in Term - 2022 Semester 1

To show what is relevant to a Student, the Enrollment wizard filters Courses relevant to Student Program (eg. Bachelor of Arts)

For example, when Fred selects a Term, the list of Courses trimmed further down to **50+** Courses related to the Bachelor of Arts program Fred is enrolled in.

Fred may not meet the requirements for all 50+ Courses available to him in his 1st term.

When our Course Requirements (Pre-requisite, Co-requisite & Anti-requisite) engine kicks in, all the advanced Courses will not be a valid option for enrollment.

That further trims down the number to **30+** Courses

Out of 30+ Courses we filter, by using the Pathway feature, RIO Education can highlight the Required Courses in green and recommend it to Fred in his 1st term.

These recommendations are not enforcement. If Fred doesn't want to go with this recommendation, he still can access to other Courses in the list.

Enrollment Wizard (Pathway - Elective Group)

Total Courses	37								
Economics	History	Physical Science	Social Science	Psychology	Marketing	Finance	Operations	Art & Performance	Media Journalism
ECON100	HIS100		ANT100	PSY110		FIN100	OPR100		MJS100
ECON101	HIS102		ANT103	PST114	MKT112	FIN101		ART101	
					MKT124		OPR102	ART102	
	HIS106		ANT109				OPR103	ART103	
	HIS108					FIN104			MJS108
ECON105			ANT115				OPR105		MJS110
ECON107									MJS114
ECON108					MKT196		OPR108		
						FIN109			
							OPR110		
								OPR113	
									OPR116

RIO Education can also suggest the Elective by group. For example,

Pick 3 Courses from the **Foundation Elective Group**.

To help Fred to select 20 credits for his 1st term. The pathway setup suggested that

ECON100 and HIS100 from the Foundation Core Group (4 credits x 2)

+

3 Courses from the Foundation Elective Group (4 credits x 3)

= 20 credits for this Term

Enrollment Wizard (Discipline Highlight)
